

Closing Speech  
221878 邱洪彬

I'm honored to give the closing speech on behalf of the organizing committee.

The conference has achieved great success with the joint effort of everyone. I appreciate the facility provided by sponsors for holding the conference. My thanks also go to the speakers for their sharing in the field of Metaverse and the audience for their participation and communication.

At the conference, the development progress of Metaverse is introduced clearly and relevant technology is also talked about. The speakers show the great potential of Metaverse in practical application. And its feasibility is discussed passionately by the penal audience. Your communication makes the conference fruitful and significant.

I really hope that this conference can promote the development of Metaverse and stimulate your inspiration to achieve it. I believe that Metaverse will be applied to all walks of life in the future and bring great facility to people's life.

As the organizer of the conference, I express our sincere thanks to all the participants for their presence and exchanged opinions. It's my hope that you can get inspired by the conference and make progress on your concerned issues. Now, the conference is closed. May we meet again at the conference next year.
